

Affiliate Membership Application

The HBA of Bucks and Montgomery Counties is proud to announce the introduction of our **Affiliate Membership Program**. This program was created to allow more of the key personnel of all of our members to become involved in our organization. In the past only one primary member received HBA, PBA & NAHB information and enhanced membership benefits. Companies had to rely on one member to share this information but now additional affiliate members can become a part of our organization for an amazing low price!

Sign up today to start receiving the benefits!
